

ECR International Limited - Olsen Division
One Year Limited Warranty
For Semi-Commercial and Commercial
Steam and Water Boilers
(HEATING ONLY)

Effective January 1, 2001

ECR International Limited - Olsen Division (hereinafter referred to as Olsen) warrants that its cast iron boilers listed above are free from defects in materials and workmanship for one year from the date of installation. If any parts are found to be defective in manufacture, Olsen will replace the defective parts.

This warranty is subject to the condition that the boiler must have been installed by a heating contractor whose principal occupation is the sale and installation of plumbing, heating and/or air conditioning equipment.

This warranty does not cover:

1. Components that are part of the heating system but were not furnished by Olsen as a part of the boiler.
2. The workmanship of any installer of Olsen's cast iron boilers. In addition, this warranty does not assume any liability of any nature for unsatisfactory performance caused by improper installation.
3. Any costs for labor for removal and reinstallation of the alleged defective part, transportation to Olsen if necessary, and any other materials necessary to perform the exchange.
4. Improper burner adjustments, control settings care or maintenance. Information is included in the installation Instructions, Start-Up, Service and Maintenance Instructions, and other printed technical material furnished by Olsen with the boiler.

This warranty does not extend to anyone except the first purchaser at retail and only when the boiler is in the original installation site.

IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY SHALL BE LIMITED TO THE DURATION OF THE EXPRESS WARRANTY. OLSEN EXPRESSLY DISCLAIMS AND EXCLUDES ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations and exclusions may not apply to you.

For prompt warranty service, notify the installer who, in turn, will notify the Olsen distributor from whom he purchased the boiler. If this action does not result in warranty service, contact ECR International Limited - Olsen Division, Customer Service Department, P.O. Box 900, Wallaceburg, Ontario N8A 5E5 with details in support of the warranty claim. Alleged defective part or parts must be returned through trade channels in accordance with the Olsen procedure currently in force for handling returned goods for the purpose of inspection to determine cause of failure. Olsen will furnish the new part(s) to an authorized Olsen distributor who, in turn, will furnish the part(s) to the heating contractor who installed the boiler. If you have any questions about the coverage of this warranty, contact Olsen at the address below.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
