ECR's home comfort products are designed to provide years of trouble-free operation

The "Comfort Plus" Extended Warranty program complements ECR's Standard Product Warranty by providing labour coverage and additional years of parts coverage depending on the plan purchased. If you sell your home, the "Comfort Plus" warranty can be transferred to the purchaser, adding to the value of your home. Ask your installer for details on the "Comfort Plus" Extended Warranty program.

All product specifications reflect available information at the time of printing. ECR reserves the right to revise or modify products without notice.

Ask your installer about our central air conditioners and heat pumps!
